

Terms & Conditions

The use of the Multi-Contact logo in catalogues, print media publications, websites, or any other advertising purposes by third parties, requires written authorization through Multi-Contact AG.

The unauthorized use of the logo is not permitted and may result in legal consequences.

Please direct all of your questions about the authorized use of the Multi-Contact logo to the Global Communications department: dtp@multi-contact.com

Correct use of the MC Logo

Please note the following guidelines when using the Multi-Contact logo:

- correct proportions: the logo must not be bent, stretched, compressed or otherwise distorted
- always use the entire logo, not just parts
- colouring: make sure that the colours are correct. Corporate colours are clearly defined:

MC Red:

CMYK: 0/100/100/0

RGB: 214/29/35

- in certain cases, black or white logos may be used, however, this requires special approval
